Data Scientist and Product Manager

EDUCATION

GHPS Ramagondanna Halli - From 1st std to 7th STD
18-06-2011 – 17-09-2017

GHS Immadihalli - From 8th Std to SSLC
21-09-2018 – 23-06-2020

WORK EXPERIENCE

HAL- Designer

12-06-2021 to 20-09-2021

As a Design Engineer at HAL, I specialize in Missile Systems, focusing on advanced technology development. My role involves designing, analyzing, and converting 3D models to accurate 2D representations. I ensure the reliability and functionality of missile components.

Blink it - Picker Packer

01-04-2023 to 05-07-2023

As an Operations Associate at Blink-it, I ensure timely order processing and accurate delivery coordination. My focus is on efficiently picking items and meeting designated timeframes while maintaining high customer satisfaction.

Gadjiy Repair Services - Intern

08-09-2019 to Present

As Store Manager, I oversee retail operations, prioritize customer service, and optimize performance. Starting as an intern, I earned promotion through dedication. Now, I support managers.
